Kernel Football finished with a record of 1-8 last season, but improved across most statistical categories. A return to the 11AA football playoffs is in sight, as we continue to emphasize our offensive and defensive schemes and a continued commitment to strength & conditioning program wide. We will face a regular season schedule that includes 7 playoff teams; Brookings, Spearfish, West Central, Watertown, Tea Area, Sturgis & Huron. We open our season on Friday, August 28th against Brookings at Joe Quintal Field.

In Coach Deb Thill's final season leading the Mitchell volleyball program, the Kernels finished with a 16–11 record, earned a return trip to the state tournament, and placed eighth. It marked the program's first state tournament appearance since 2018 and was led by a talented group of four seniors. 2026 marks the beginning of Coach Amy Tyler's position as the new Kernels Volleyball Head Coach.

With the graduation of those seniors, the Kernels will rely on a strong core of returning players, including seniors Charleigh Collins (OH) and Cassidy Korzan (DS), junior Londyn Hajek (DS/S), and freshman Nia Talley (OH). They will be joined by a talented group ready to step into larger roles, including seniors Ivory Fenski and Kenna Magee, juniors Mandalyn Dirkson and Macey Bessler, sophomores Ashley Haring and Sloan Stoeber, and freshman CeCe Morgan. The offseason has been a productive one, with the team participating in camps, open gyms, position training, and strength and conditioning sessions in preparation for the fall. With more than 40 athletes in grades 7–12 consistently attending workouts each week, the future of Mitchell Volleyball is bright.

This season, the Kernels will focus on increasing the tempo of their offense to become more effective at the net while continuing to improve their defensive efficiency. It will be exciting to watch this athletic and hardworking group continue to grow. They are eager to learn, highly coachable, and simply a fun group to be around.

After an outstanding 2025–26 season that saw the Mitchell Kernels finish as State Runner-Up and ESD Runner-Up, the future of Mitchell gymnastics is bright. Last season also marked a memorable milestone as the State Gymnastics Championships were hosted for the first time at the new Mitchell High School, providing an outstanding venue and atmosphere for athletes and fans.

While the Kernels graduated four exceptional seniors—Kyanna Gropper, Olivia Prunty, McKenna Auch, and Abby Helleloid—the returning roster is filled with experience and talent. Senior Shae Hohn is expected to expand into the all-around, while juniors Abby Hohn and Ava Prunty will be key leaders. Abby looks to contend for one of the state’s top vault finishes, and Ava returns from injury with increased difficulty on all four events.

The sophomore class brings outstanding depth with Reghan Willis O’Connor, Allison Walz, Brynleigh Sullivan, and Ava Hart all expected to make significant contributions. Freshman Sury Bechen, whose clutch beam routine helped secure the team’s runner-up finish at state, has the potential to be one of South Dakota’s top all-around competitors. Eighth-grader Hannah Werkmeister also looks to make an immediate impact after qualifying to state on floor exercise last season.

With a talented blend of veteran leadership and rising young stars, the Kernels have their sights set on another championship run as they prepare for the 2027 State Meet in Aberdeen.

Mitchell Kernel softball will be entering its 5th year as a sanctioned sport this spring. We have been figuring out what works for us as a program, what we need to improve upon, and how we can become better teammates, leaders, and overall individuals. Last season we went 3-13 in the regular season and then lost to SF Washington in the SoDak 16 game. We had to battle some team adversity with injuries, and we had just a few games where we barely fell short in the win, so this next season will be working on how to win those close games and finish in favor of us. Some key returners to help us achieve that are: Rylee Jennings (senior), Brooklyn Schlimgen (senior), Iris Ackman (freshman), and Malia Reitzel (junior). Our focus for 2027 will be to stay in

Mitchell Kernels Wrestling

The Mitchell Kernels wrestling team is looking to build on the momentum from last season with a lot of experience returning for the boys and new talent emerging for the girls.

The boys wrestling team will return two 3x state place winners, Noah Bennett (11) and Rocky Clark (12), 2025 state place winner Blaze Sevigny (11), and 2026 state qualifier Micah Bennett (9). These three boys will anchor the Mitchell Kernels program this season after coming off of successful 2025-26 seasons. The boys will look for additional team points from Samari Wright (12), Evan Hirsch (11), Garrett Dumas (11), Carter Radel (10), and Tayven Red Day (11).

The girls wrestling team returns 3x state place winner Frankie Kranz (12) and 2x state qualifier Kaylynn Fick (11). Marlie Whitaker (11) and McKala Linke (12) will work to make their first state tournament appearance after coming off a great 2026 season. Averie Hillman (10) showed significant growth in her rookie season and could be on the verge of a breakout season. The girls' program has reloaded after graduating 5 seniors last season and look forward to seeing these new wrestlers develop throughout the season.

Mitchell Kernels Girls Basketball

The Kernel Girls finished last season with a 15-9 regular season record and a 5th place finish at the State AA tournament for the 2nd consecutive year. They will miss stand-out player, Addie Siemsen, who will play for the Augustana Vikings. Four seniors return—Matteah Graves, Carleigh Collins, Londyn Schroeder and Mia Larsen. Both Collins and Graves were injured during the preseason and not able to play due to knee injuries. Schroeder had a solid year before injuring her knee during the state tournament. Larsen avg 3.4 pts played a full season and big minutes for the Kernels.

In 2026-27, the Kernels will have three underclassmen who were starters last season. Londyn Hajek, a junior, averaged 8.9 points as a sophomore. CeCe Morgan, a freshman this year, averaged 11.2 points and 8 rebounds per game as an eighth grader. Nia, Talley, also an incoming freshman this year, contributed 6.4 points per game last year.

The Kernels will still be a young group but will return with a lot of experience. They will be a unique group that should get stronger as the season progress with the return of Collins in early December and Schroeder in January. Unfortunately, Graves will not be on the court this season, but will continue to contribute in other ways. Other contributors will include Malia Reitzel, Sloan Stoebner, Neveah Peterson and Ashley Haring.

This season, the Kernels will be a defensive-oriented team filled with speed and scorers. With the return of Wes Morgan as head coach, the Kernels will look to return to the state tournament for the 5th consecutive year.

The Kernels are coming off an 8-12 season in which they missed the State Tournament for the first time since the 2019-2020 season. They have their sights set on a return to the State Tournament this season. The Kernels are led by Head Coach Ryker Kreutzfeldt who is entering his 6th season holding a career record of 86-30.

Mitchell loses two starters from last year's squad but returns a wealth of experience with returning starters and seniors Lincoln Bottum, Owen Raml, and Collin Weier. Owen Schelske, a junior, also returns from last year's team and will be looked to be a factor for the Kernels inside. Kyson Herrmann will step into a bigger role for the Kernels this season as they will also look upon some players in their younger grades to provide key minutes.

With a mix of veteran leadership and emerging talent, the Kernels will look to climb the ladder back to the top of class AA. Tea Area, Huron, and the Metro Conference will be looked at as the favorites in the class.

The Kernel Boys Golf team looks to continue their string of consistent seasons this year. The Kernels are coached by Ryker Kreutzfeldt who is entering his 6th season with the program. In the 2025 season, the Kernels finished in 7th place at the State Tournament which was held in Rapid City. The Kernels will need to fill several spots in their lineup with only returning 3-time All-State golfer Asher Dannenbring as well as Jordan Meyerink from the State Tournament lineup. Those positions could be filled by seniors Dayton Adams, Penn Long, Mason Moody, Lincoln Stange, Ian Weber, and Stratton Zens. The Kernels have a lot of strength in their younger grades with excellent golfers in the 7th grade through freshmen class. The State Tournament is at Lee Park Golf Course in Aberdeen, SD. The Kernels will open the season at Brandon Golf Course on August 17th.

BRING IT ON, TROJANS!

Competition. Birdie putts. Quarterback scrambles. Big digs.
Three-point shots. Record breaking times. The fans. The coaches.
Concessions crews. Families. Neighbors. We're here for it. All of it.

The 2024 season was a rebuilding year with very low expectations for Minnesota and a year where the quarterback they drafted at No. 10 overall, JJ McCarthy, would miss the entire season due to a torn meniscus. Despite that, the Vikings ended up starting 11–2 for the first time since 2009 and clinched a playoff berth when the Seattle Seahawks lost to the Green Bay Packers in Week 15. After their win against the Packers in Week 17, the Vikings achieved their first season with at least 14 wins since going 15–1 in 1998. However, the Vikings ended their season with two blowout losses: first to the division rival Detroit Lions in their Week 18 game, which clinched the 1st seed for the Lions, then to the rival Los Angeles Rams in the wild card round, which eliminated the Vikings from the playoffs. The Vikings became the first 14–win wild card team in NFL history. The fourteen wins set an all-time record for wins for a team that failed to reach the Divisional Round of the playoffs in the Super Bowl era. This 2025 season will be the Minnesota Vikings' 65th in the National Football League (NFL), their 10th playing their home games at U.S. Bank Stadium, their 21st under the ownership of Zygi Wilf and their fourth under the head coach/general manager tandem of Kevin O'Connell and Kwesi Adofo-Mensah. The Vikings will look to match or improve on their 14–3 record from 2024, make the playoffs in back-to-back seasons for the first time since 2009, and end their five-year playoff victory drought.

DWU Women's Volleyball

DWU Volleyball is coming off an impressive 2025 campaign, which was highlighted by the program's return to Sioux City for the first time since 2022. The Tigers grabbed multiple ranked wins and conference sweeps over Waldorf, Morningside, and Briar Cliff during the regular season, alongside two highlight victories over the Dakota State Trojans. The Tigers recorded a win on the road against the Park Pirates in the opening round of the NAIA Women's Volleyball National Championships to move on to the final site, where they lost to Concordia (Neb.) in pool play before ending the season on a high note with a series win against The Master's (Calif.). Individually, Kayleigh Hybertson and Lizzie Tyler both led the Tigers on the court as juniors. Hybertson was named GPAC Setter of the Year while Tyler was named Co-Defender of the Year. They were both also named NAIA Third Team All Americans to cap off the 2025 season. Evy Knoblock was named Second Team All-GPAC while middle blocker Karly VanDerWerff and outside hitter Lily Ranschau earned Honorable Mention All-GPAC honors.

DWU Women's Basketball

The Dakota Wesleyan Women's Basketball had a historic 2025-26 campaign that included 10 ranked wins in its 29 total victories, the team's ninth conference championship, and a deep run in the national tournament. Throughout the season, the Tigers racked up 10 wins against ranked opponents, alongside making an extensive run as the second seed in the GPAC tournament, which culminated in a GPAC title after knocking off top-ranked Dordt. The Tigers earned a host bid for the opening rounds of the NAIA Championship Tournament, grabbing wins against St. Francis (Ill.) and College of the Ozarks to advance to the final site. In Sioux City, DWU defeated Lindsey Wilson and Bethel (Tenn.) to advance to the NAIA Semifinals. Avery Broughton was named the GPAC's Defensive Player of the Year while earning First Team All-Conference status. Emma Yost earned her third-consecutive First Team All-GPAC nod, while Second Team All-GPAC guard Rylee Rosenquist capped off her DWU career with 1,546 total points, placing her as the program's 10th all-time scorer.
